

# We Are Golden (Calvin Harris Remix) [Radio Edit]

MIKA

Teenage dreams in a teenage circus  
Running around like a clown on purpose  
Who gives a damn about the family you come from?  
No giving up when you're young and you want someRunning around again  
(Running around again)  
Running from running  
Running around again  
(Running around again)  
Running from runningWaking up in the midday sun  
What's to live for? You could see what I've done  
Staring at emotion in the light of day  
I was running from the things that you'd sayWe are not what you think we are  
We are golden, we are golden  
We are not what you think we are  
We are golden, we are goldenTeenage dreams in a teenage circus  
Running around like a clown on purpose  
Who gives a damn about the family you come from?  
No giving up when you're young and you want someRunning around again  
Running from running  
Running around again  
(Running around again)  
Running from runningI was a boy at an open door  
Why you staring, do you still think that you know?  
Looking for treasure in the things that you threw  
Like a magpie I live for glitter not youWe are not what you think we are  
We are golden, we are golden  
We are not what you think we are  
We are golden, we are goldenTeenage dreams in a teenage circus  
Running around like a clown on purpose  
Who gives a damn about the family you come from?  
No giving up when you're young and you want someNow I'm sitting alone, I'm finally looking around  
Left here on my own I'm gonna hurt myself  
Maybe losing my mind I'm still wondering why  
Had to let the world let it bleed me dryWe are not what you think we are  
We are not what you think we are  
We are not what you think we are  
We are golden, we are goldenTeenage dreams in a teenage circus  
Running around like a clown on purpose  
Who gives a damn about the family you come from?

No giving up when you're young and you want someRunning around again

(Running around again)

(Running around again)

Running from runningWe are not what you think we are
