 You dead, there'll be no war be nuff said
 Jet, baby bro you gwan have to break a leg
 You can't see, weak-ass close as you stand

 I feed you fools your own feces
 The battle, originoo gunn clap two hack fools
 My motherfuckin crew will not have you
 I drop lines to entice minds
 But then recite mines when given the right time
 I put the mood in your groove, you be like
