

Animal Nature

Escort

Love, your love
Too much love, give me your love
Hey hey heyNight, strange nights
Walk the night, animal nights
Hey hey heyConjuring, what you see
It's coming over me
Like animals wandering
We're feeling everything
It's my animal, animal nature
My (ai ai) animal nature
Get up on your tip toes
Get up into poppin bubbles
Get up and get in close
Get up into poppin bubbles
Get upTime, your time
Precious time, diabolical time
Hey hey heyFame, my fame
Sweet sweet fame, hold up my name
Hey hey heyConjuring, what you see
It's coming over me
Like animals wandering
We're feeling everything
It's my animal, animal nature
My (ai ai) animal nature
Day after day, unbelievable
I don't mind, I don't mind, just let it overflow
Say now you see me, now you don't
I don't mind, I don't mind, just let it, let it goGet up on your tip toes
Get up into poppin bubbles
Get up and get in close
Get up into poppin bubbles
Get up on your tip toes
Get up into poppin bubbles
Get up and get in close
Get up into poppin bubbles
Get up, poppin bubblesLove, your love
Too much love, give me your love
Hey hey heyDay after day, unbelievable
I don't mind, I don't mind, just let it overflow

Say now you see me, now you don't
I don't mind, I don't mind, just let it, let it go
