

Kids That Love To Dance

Professor Green Feat. Emeli Sande©

professor green:
i can't handle my drugs,
so blame Sha and his hand for the buds,
before these vocals I was tee total till the AK,
now I'm back and I'm buzzed
get funky, light one up
get skunky, so toast to, me!
toast to green,
about to take hold and take over the scene.
or maybe that should be ether it?
either way i ain't an idiot.
i did quit smoking weed, but didn't stop me eating it!
P's raw, and i been poor,
so i could never get enough p i need more.
see-saw theres 5 saturdays,
and i wont be happy till i've at least hit 4
emeli sande: (chorus)
it's a long day when your rolling and rocking,
and the spin isn't stopping
when you don't care where you are
it's the wrong day
if your looking for sober
you can find him hung over for the kids who love to dance.
professor green:
the professor of rhymes,
mr dexter met lecturer and had one hell of a time
a devil disguised, lies!
you can tell that i'm high by my festival eyes.
festival eyes? aint it a monday?
fuck knows! may aswell be a sunday.
run away when i take off 6 val's
whoops... straight lose six hours.
im back in effect,
got shanked in my neck now im back from the dead.
but adjusting has been hard,
like i give a shit man chicks dig scars.
chicks dig me so i dig 'em out,
but i keep 'em all, never let them out.
got sixteen in my cellar now,

yeah i still take bus but i get about.

emeli sande: (chorus)

it's a long day when your rolling and rocking,
and the spin isn't stopping
when you don't care where you are
