## The Corrs

I wanna  
Hey you're too true to be good  
And I'm too bad to pretend  
Transparent and transfixed, I'm uncool  
Heart beat you're looking at me  
Must stop I'm letting you see  
This isn't how I want to be  
I have visions like no other  
So romantic you'll discover  
I wanna take you for granted, drift while you're talking  
Bath while you're downstairs and chat on the phone  
Fall asleep before bedtime, pass in the hallway  
Forget your birthday and shrink all your clothes

I wanna  
This is every girl's dream  
No milk left for your tea  
Baby's crying louder than me  
Who lost the keys of your car  
Sorry that would be me  
I'd wake up only I'm not asleep  
I have daydreams of another  
So romantic you'll discover  
I wanna take you for granted, drift while you're talking  
Bath while you're downstairs and chat on the phone  
Fall asleep before bedtime, pass in the hallway  
Forget your birthday and shrink all your clothes

I wanna  
I wanna  
I have visions like no other  
So romantic you'll discover  
I wanna take you for granted, drift while you're talking  
Bath while you're downstairs and chat on the phone  
Fall asleep before bedtime, pass in the hallway  
Forget your birthday and shrink all your clothes  
Let me take you for granted, drift while you're talking  
Bath while you're downstairs and chat on the phone  
Fall asleep before bedtime, pass in the hallway  
Forget your birthday and shrink all your clothes  
I wanna

I wanna  
Did I say that out loud?  
I wanna
