

Shadowlawns

Emmy the Great

(Oh-oh-ohh)
(Oh-oh-ohh)Hard-won dreams, they are
Always the sweetest, so I
Drink caffeine until I'm
Glitchy and nervous;
Shadowlawns every day, dreams come easy. Who am I, and what's the
Point in remaining with my love?
It's an obvious choice.
And, Shadowlawns, you will stay
Dreaming easy. Shadowlawns,
Same old sunshine.
Shadowlawns,
Remember my time.
Shadowlawns,
Call my name when I'm gone.
Call my name, call my name
Shadowlawns. (oh-oh-ohh)
Shadowlawns. (oh-oh-ohh)Time is up and the
Season is flowing, and I'm
Told it's a perfect regret.
Do you have to look so
Golden and adorable all the time?
Have you ever tried to
Fail? You should do it sometime.
If I go, it is still
True that if I
Leave, I'll be with
You. Shadowlawns,
Same old sunshine.
Shadowlawns,
Remember my time.
Shadowlawns,
Call my name when I'm gone.
Call my name, call my name,
Shadowlawns. (oh-oh-ohh)
Shadowlawns. (oh-oh-ohh)We built a way together,
And we called it (Shadowlawns)
We built a way together,
And we called it (Shadowlawns)

We built a way together,
And we called it Shadowlawns.
