I Won't Stand In Your Way

Drake Bell

I, I got a low down dirty feeling
That I've been cheated on,
and lied tooIf it's so then it's wrong,
we've hung on for so long
Why don't we have that magic anymoreI got a strange
sneaking suspicion
That it's been going on
for sometime now
Something shines in your eyes,
something hurts deep inside
I won't stand in your way anymore
You said that I'm just a little boy
Who's easily led astray
Well aren't you the same little girl
Who always gets her way
I got a strange
sneaking suspicion
That it's been going on
for sometime now
Something shines in your eyes,
something hurts deep inside
I won't stand in your way anymore
You said that I'm just a little boy
Who's easily led astray
Well aren't you the same little girl
Who always gets her way
I, I got a low down dirty feeling
That I've been cheated on,
and lied tooIf it's so then it's wrong,
we've hung on for so long
I wont' stand in your way
I wont' stand in your way
I wont' stand in your way
Anymore
