Same Old Song

<u>Sev</u>

[Taylor Swift]I remember tears streaming down your face When I said, I'll never let you go When all those shadows almost killed your light I remember you said, Don't leave me here alone But all that's dead and gone and passed tonight Just close your eyes The sun is going down You'll be alright No one can hurt you now Come morning light You and I'll be safe and sound Don't you dare look out your window darling Everything's on fire The war outside our door keeps raging on Hold onto this lullaby

> Even when the music's gone Just close your eyes The sun is going down You'll be alright No one can hurt you now Come morning light You and I'll be safe and sound Just close your eyes You'll be alright Come morning light, You and I'll be safe and sound... O00000, O000O000, O00000, O000O000, O00000, O000O000, O00000, O000O000, O00000, O000O000, O00000, O000O000...
