

Hold On

Meiko

Sometimes you can pickle
The stories that you tell
No one will ever feel the way you feel.
And I know it gets harder
To look the other way,
When everything comes crashing in you face.[Chorus]:
Ooooh oh ooh x2 Hold on
It's gonna be a bumpy road tonight.
Hold on to me.
I'm here
To save you from the dark when you are scared.
Hold on to me
To me
Tonight The world it gets colder,
The older that you get.
Some will leave and some will have regrets.
And my mama, she told me
To give it all you got,
Cause in the end you only get one shot.[Chorus]:
Ooooh oh ooh x2 Hold on
It's gonna be a bumpy road tonight.
Hold on to me.
I'm here
To save you from the dark when you are scared.
Hold on to me
To me
To me
Tonight Ohhhh tonight x 2
Ohhhh hold on
Ooooh tonight x 2
Ooooh hold on Ooooh oh ooh x2
