

# When Christmas Comes To Town

**Bianca Ryan**

La La La La La La  
La La La La La  
La La La La LaIm wishing on a star  
And trying to believe  
That even though its far  
He'll find me Christmas Eve  
I guess that Santas busy  
Cause hes never comes around  
I think of him  
When Christmas comes to townThe best time of the year  
When everyone comes home  
With all this Christmas cheer  
Its hard to be alone  
Putting up the Christmas tree  
With friends who come around  
Its so much fun  
When Christmas comes to townPresents for the children  
Wrapped in red and green  
All the things Ive heard about  
But never really seen  
No one will be sleeping on the night of Christmas Eve  
Hoping Santas on his wayPresents for the children  
Wrapped in red and green  
All the things Ive heard about  
But never really seen  
No one will be sleeping on the night of Christmas Eve  
Hoping Santas on his wayWhen Santas sleigh bells ring  
I listen all around  
The herald angels sing  
I never hear a sound  
And all the dreams of children  
Once lost will now be found  
Thats all I want when Christmas comes to townThats all I want when Christmas comes to town
