

# Happy

[Sheryl Crow](#)

Well, I never kept a dollar past sunset  
Always burned a hole in my pants  
Never get to school mama happy baby  
But always blew a second chance I need a love to keep me happy  
I need a love to keep me, me, me  
Happy, happy I never took candy from strangers  
Never wanna get me no trade  
Never want to be like papa  
Working for the boss every night and day I need a love to keep me happy  
I need a love to keep me, me, me  
Happy, happy I need a love to keep me happy  
I need a love to keep me, me, me happy  
Come on baby, keep me happy Never got a flash out of cocktails  
Never had a flesh off the bone  
I never got a lift out of Lear Jets baby  
When I can fly way back home I need a love to keep me happy  
I need a love to keep me, keep me happy  
Won't you keep me happy Happy  
Ooh, happy baby
