

# Vindicated

## Dashboard Confessional

Hope dangles on a string like slow spinning redemption  
Winding in and winding out, the shine of it has caught my eye  
And roped me in, so mesmerizing and so hypnotizing  
I am captivated, I am Vindicated, I am selfish, I am wrong, I am right  
I swear I'm right, swear I knew it all along  
And I am flawed but I am cleaning up so well  
I am seeing in me now the things you swore, you saw yourself So clear like the diamond in your ring, cut to  
mirror your intention  
Over sized and overwhelmed, the shine of which has caught my eye  
And rendered me so isolated and so motivated  
I am certain now that I am Vindicated, I am selfish, I am wrong, I am right  
I swear I'm right, swear I knew it all along  
And I am flawed but I am cleaning up so well  
I am seeing in me now the things you swore, you saw yourself So turn up the corners of your lips  
Part them and feel my finger tips  
Trace the moment, fall forever Defense is paper thin  
Just one touch and I'll be in  
Too deep now to ever swim against the current So let me slip away, so let me slip away  
So let me slip away, so let me slip against the current  
So let me slip away, so let me slip away  
So let me slip away, so let me slip away Vindicated, I am selfish, I am wrong, I am right  
I swear I'm right, swear I knew it all along  
And I am flawed, but I am cleaning up so well  
I am seeing in me now the things you swore, you saw yourself Slight hope dangles on a string  
Like slow spinning redemption
