Coming Home

Ramin Karimloo

Far as we could be
I always see your face
I always hear your name
All my thoughts
Reach for you
A million miles away
As time and distance pull us
Be sure of thisI can feel the wind change
I can tell when something's not right
Our love is the one thing that keeps us
We will be alright
In some other world you think you lost me
You need to know
I'm coming home. I'm coming homeLost, if you feel lost
You know where to find me
Here, I'll be here listening for your voice
Though time and distance pull us
Be sure of thisOh I can feel the wind change
I can tell when something's not right
Our love is the one thing that keeps us
We will be all right
In some other world you think you've lost me
You need to know
I'm coming home
I'm coming homeOh and I feel you in every part of me
And I see you. You're everywhere I can be.I can feel the wind change
I can tell when something's not right
Our love is the one thing that keeps us
We will be alright
In some other world you think you lost me
You need to know
I'm coming home
I'm coming home
