

Tear In Your Hand (Remastered)

Tori Amos

All the world just stopped now
So you say you don't wanna stay together anymore
Let me take a deep breath, babe
If you need me, me and Neil'll be hangin' out with the dream king
Neil said, "Hi, by the way I don't believe
you're leaving"
'Cause me and Charles Manson
Like the same ice cream
I think it's that girl
And I think there're pieces of me
You've never seen
Maybe she's just pieces of me
You've never seen, well
All the world is all I am
The black of the blackest ocean
And that tear in your hand
All the world is danglin', danglin', danglin' for me
Darlin' you don't know the power that you have
With that tear in your hand, tear in your hand
Maybe, I ain't used to maybes
Smashing in a cold room
Cutting my hands up everytime I touch you
Maybe, maybe it's time to wave goodbye now
Time to wave goodbye now
Caught a ride with the moon
I know, I know you well
Well, better than I used to
Haze all clouded up my mind in the daze
Of the way it could've never been
So, you say and I say
You know you're full of wish
And your better baby, baby, baby, babies
I tell you there're pieces of me
You've never seen
Maybe she's just pieces of me
You've never seen, well
All the world is all I am
The black of the blackest ocean
And that tear in your hand
All the world is danglin', danglin', danglin' for me
Darlin' you don't know the power that you have
With that tear in your hand, tear in your hand
With that tear in your hand
