A Better Man

Clint Black

What do you say when it's over? I don't know if I should say anything at all One day we're rollin' in the clover Next thing, you know, we take the fall Still, I think about the years since I first met you And the way it might have been without you here I don't know if words from me can still upset you But I've just gotta make this memory stand clear I know I'm leavin' here a better man For knowin' you this way Things I couldn't do before now I think I can And I'm leavin' here a better man I guess, I always knew I couldn't hold you But I'd never be the one to set you free Just like some old nursery rhyme your Mama told you You still believe in some old, 'Meant to be' Still, I'm leavin' here a better man For knowin' you this way Things I couldn't do before now I think I can And I'm leavin' here a better man Yes, I'm leavin' here a better man For knowin' you this way Things I couldn't do before now I know I can And I'm leavin' here a better man (Ooo ooo ooo) Yes, I'm leavin' here a better man
