O Holy Night

Rascal Flatts

Oh, holy night, the stars are brightly shining
It is the night of our dear Savior's birth
Long lay the world in sin and error, pining
Till He appeared and the soul felt it's worthA thrill of hope, the weary world rejoices
For yonder breaks a new and glorious morn'
Fall on your knees, and hear the Angels' voices
Oh, night divine, oh, night when Christ was born
Oh, night divine, oh, night, oh night divineTruly He told us to love one another
His law is love and His gospel is peace
Chains shall He break for the slave is our brother
And in His name all oppression shall cease
Sweet hymns of joy in grateful chorus sing we
Let all within us praise His holy nameFall on your knees
Oh hear the angel voices
Oh night divine
Oh night when Christ was born
Oh night divine
Oh night, oh night, oh night divine
Oh night
