

Stay Right Here

Jekalyn Carr

Standing in Your presence
Basking in Your glory
Filled in Your love
I'm never leaving this place
I wanna just stay right here
Cause I know that You're near
I wanna stay right here
Here there's no room for fear
I've found that in Your presence
There's fullness of joy
And at Thy right time treasures forevermore
I wanna just stay right here
Here I remain pure
Stay right here
Here I feel secure
Oh it's Your presence
(Yeah Lord, it's Your presence that gives me peace)
It's Your presence
(It's Your presence that fills all of my needs)
It's Your presence
(It's Your presence that hides me from all evil)
It's Your presence
(I wanna just stay)
I wanna just stay right here
Here I know You're near
Stay right here
There's no room for fear
I wanna just stay right here
Here I remain pure
Stay right here
Here I feel secure
Oh it's Your presence
(It's Your presence that gives me peace)
It's Your presence
(It's Your presence that fills all of my needs)
It's Your presence
(It's Your presence that hides me from all evil)
It's Your presence
I wanna stay

Stay
Right
Here

In Your presence
Stay
Right
Here

In Your presence
Stay
Right
Here

In Your presence
Stay
Right
Here

In Your presence
Stay
Right
Here

In Your presence
Stay
Right
Here

In Your presence
Stay
Right
Here

In Your presence
Stay
Right
Here

In Your presence
I wanna just stay right here
I wanna just stay right here
Help me just stay right here
