

# Trust Me

## TWO-MIX

[Brooke (Urban Mystic):] Love is a funny thing (oh yes it is)

It can live through what people say

The only thing I ask (what you ask?)

Is that you have some respect (I got it babe)

[Both:] And please don't take

My love away

[Urban:] yea

[Brooke:] oooh

[Urban:] oooh

[Brooke:] yea

[Brooke (Urban):] You can trust me (trust me)

I can trust you

Baby I trust you

Baby we could fly away

oh whoa

Nothing matters cuz nothing's better

Baby I will always stay

[Brooke:] I can't believe that we're back to here

Must of been about a whole year

Suffering losing all my sleep

Cuz I didn't have you here

[Urban:] I replay it a hundred times

Without you home it ain't right

I know I prayed almost everyday

Lord give me back my life yea

[Brooke:] I used to be scared of losing you

Would you be scared to lose me too?

No we never need to worry

Finally the truth will set us free

Now you know I never want to leave

You can be you and I can be me

You can trust me

I can trust you

Baby I trust you

Baby we could fly away

oh whoa

Nothing matters cuz nothing's better

Baby I will always stay

I cant beleive that I'm not alone  
To have you backs like having a home  
Cuz I remember what you said to me  
I ride for you you ride for me  
We can be whatever you like  
Best friends your by my side  
Whatever you want is fine  
All I want is you in my life  
I used to be scared of losing you  
Would you be scared to lose me too?  
No we never need to worry  
Finally the truth will set us free  
Now you know I never want to leave  
You can be you and I can be me  
You can trust me  
I can trust you  
Baby I trust you  
Baby we could fly away  
oh whoa  
Nothing matters cuz nothings better  
Baby I will always stay  
Trust me  
I can trust you  
Baby we could fly away  
Trust me  
Trust you  
Baby we could fly away  
I used to be scared of losing you  
Would you be scared to lose me too?  
No we never need to worry  
Finally the truth will set us free  
Now you know I never want to leave  
You can be you and I can be me
