

# Biggest Fan

## Blazin' Squad

From the moment that I saw you that night  
Only thing that kept me going was your vibe  
One of those shows that didn't seem to go right  
Pointed you out, told you to meet me at stage side I would have paid to just come and see you  
The way that you dance love the way that you move  
Got one of me need a poster of you  
You're the girl that puts the picture in my mind Guess you don't understand I'll be your biggest fan  
When I get off the stage tonight I wanna be your man  
Now thank you for wantin' me but I need you in my life  
If this night goes the way that I planned I'll be your biggest fan At the signing you were nowhere to be seen  
And now I wanna see you more than you came to see me  
I'm gettin' nervous, will I find the words to say?  
Now ain't it funny it should be the other way I would have paid to just come and see you  
The way that you dance, love the way that you move  
Got one of me, need a poster of you  
You're the girl that puts the picture in my mind Guess you don't understand, I'll be your biggest fan  
When I get off the stage tonight I wanna be your man  
Now thank you for wantin' me but I need you in my life  
If this night goes the way that I planned, I'll be your biggest fan Front row the rock spots a chic that don't want  
his dough  
But still loves his hits that the way to go  
If I was poor or rich she wouldn't let me go  
'Cuz this chick is so damn getto, oh She wants to chill and roll with me backstage  
And when it comes to blazin' she can blaze all day  
She wants him for the many years, not the status  
That comes along with being famous Hold up yo lemme break this down  
With only eight bars it's so hard to take the crown  
I've been watchin' your style, girl, it's been a while since I seen ya  
At the show cant wait to meet ya And treat ya good do everything I should need ya flava so bad  
Got me touching wood  
We could blaze it, rearrange it turn the pages  
And if we meet again I'll forget about the wages Guess you don't understand I'll be your biggest fan  
When I get off the stage tonight I wanna be your man  
Now thank you for wantin' me but I need you in my life  
If this night goes the way that I planned I'll be your biggest fan Guess you don't understand I'll be your biggest  
fan  
When I get off the stage tonight I wanna be your man  
Now thank you for wantin' me but I need you in my life  
If this night goes the way that I planned I'll be your biggest fan
