

Never Gonna Give You Up

The Black Keys

Never gonna give you up
Now matter how you treat me
Never gonna give you up
So don't you think of leaving Girl you treat me bad
And I know why
I've seen you running around with another guy
And you think if you hurt me
Then I'd go away
But I've made up my mind
You know I'm here to stay Never gonna give you up
Now matter how you treat me
Never gonna give you up
So don't you think I'm leaving Baby don't you understand
What you're doing to the man? Do you see these tears?
They're in my eyes
There's no use in lying
'Cause I really cried
You think you're gonna take me
And put me on the shelf
I'd rather die
Than see you with somebody else Never gonna give you up
Now matter how you treat me
Never gonna give you up
So don't you think of leaving Baby don't you understand
What you're doing to the man Well my friends all say
That I'm your fool
And you're using me
Like a carpenter using a tool
I know their intentions
Were all very good
Some of them would help me
If they could But I'm
Never gonna give you up
Now matter how you treat me
Never gonna give you up
So don't you think of leaving Baby don't you understand
What you're doing to the man Never gonna give you up
Now matter how you treat me
Never gonna give you up

So don't you think of leaving Never gonna give you up
Now matter how you treat me
Never gonna give you up
So don't you think of leaving
