

# End of the Line

## Barcode

No more - no  
Deny  
Not satisfied - not - never  
Go for all - stand or fall  
Lose your marbles as you crave for more  
More  
Tonight the leash's out wide  
Reach for the end of the line Step inside  
Whatcha waiting for  
Right on time  
Whatcha waiting for  
Step inside  
Come on  
Whatcha waiting for  
Right on time  
Whatcha waiting for Come try the end of the line  
Steady mosh to the beat of the hardcore  
Tonight's no wrong or right  
There ain't none satisfied Let's take it to the max motherfuckers End of the line You can call  
You can cry  
You can do  
You can die  
You can't stop this thing - don't try - you'll lose the fight
