Now let me see you (bounce x3)
I like the way you shake it (on me x2) now

Lil Fizz:

Yeah, all up in the air

i think she'll take it there

don't leave your girl round me, be cautious
true playa, money on my radar
and honey you can do me a favor

Ya, i got my hands up
Even got my *** flyin' out the cup
Make it go boom boom like an 808
Let's go to the crib, I ain't tryna wait x2
