

Monsoon (Jan Waterman Remix)

Tokio Hotel

I'm staring at a broken door
There's nothing left here anymore
My room is cold, it's making me insane
I've been waitin' here so long
But now moment seems to've come
I see the dark clouds comin' up againRunning through the monsoon
Beyond the world
Til' the end of time
Where the rain won't hurt
Fighting the storm
Into the blue
And when I lose myself I'll think of you
Together we'll be running somewhere newThrough the monsoon
Just me and youA halfmoon fading from my sight
I see your vision in its light
But now it's gone and left me so alone
I know I have to find you now
Can hear you name and don't know how
Why can't we make this darkness feel like home?Running through the monsoon
Beyond the world
Til' the end of time
Where the rain won't hurt
Fighting the storm
Into the blue
And when I lose myself I'll think of you
Together we'll be running somewhere newAnd nothing can hold me back from you
Through the monsoonHey!
Hey!I'm fighting all it's power coming in my way
Let it take me straight to you,
I'll be running night and day
I'll be with you soon
Just me and you
We'll be there soon
So soonRunning through the monsoon
Beyond the world
Til' the end of time
Where the rain won't hurt
Fighting the storm
Into the blue

And when I lose myself I'll think of you
Together we'll be running somewhere new
And nothing can hold me back from you
Through the monsoon
Through the monsoon
Just me and you
Through the monsoon
Just me and you
