

# Cheap Trick Kinda' Girl

## Infernal

I'm a cheap trick kinda girl ill fool you any day,  
I'm a cheap trick kinda girl ain't no other way,  
I can keep up, play the game, Ain't no need to stop,  
I'm a cheap trick kinda girl, might just well give up.  
I'm a cheap trick kinda girl ill fool you any day,  
I'm a cheap trick kinda girl ain't no other way,  
I can keep up, play the game, Ain't no need to stop,  
I'm a cheap trick kinda girl, might just well give up. She knows, he's never gonna lose,  
and she knows she's never gonna win,  
everybody's playing, knowing it's a sin,  
she's a cheap trick kinda girl,  
and oh' yeah, you'll bet your ass,  
she knows it's a sin. I'm a cheap trick kinda girl ill fool you any day,  
I'm a cheap trick kinda girl ain't no other way,  
I can keep up, play the game, Ain't no need to stop,  
I'm a cheap trick kinda girl, might just well give up. Never gonna lose, and never gonna win,  
everybody's playing, (knowing it's a sin)  
Never gonna lose, and never gonna win,  
everybody's playing, knowing it's a sin. Never gonna lose, and never gonna win,  
everybody's playing, (knowing it's a sin)  
Never gonna lose, and never gonna win,  
everybody's playing, knowing it's a sin. I'm a cheap, trick, kinda girl. I'm a cheap trick kinda girl ill fool you any  
day,  
I'm a cheap trick kinda girl ain't no other way,  
I can keep up, play the game, Ain't no need to stop,  
I'm a cheap trick kinda girl, might just well give up. Never gonna lose, and never gonna win,  
everybody's playing, (knowing it's a sin)  
Never gonna lose, and never gonna win,  
everybody's playing, knowing it's a sin. I'm a cheap, trick, kinda girl. - Made by MiniM
