

You Don't Have To Let Go

[Jessica Simpson](#)

I don't need your strength anymore
'cause you have made me strong
You may not see the woman in me
That you dreamed of holding in your arms[Chorus]
All the days that you gave
All the moments you saved me
Praying for my life, sacrificed just to make me
Who I am on my own
You don't have to let go You don't say it, but it's in your eyes
All the fear of goodbye
But I can promise you'll always
Have a place in my heart All the days that you gave
All the moments you saved me
Praying for my life, sacrificed just to make me
Who I am on my own
You don't have to let go I can live, as you lived for me
I can love, 'cause you loved me[Chorus]
