## Anathema

Goodbye my friend  
Life will never end  
And i feel like you  
And i breath on truth  
Love is the life breath of all i see  
Love is true life inside of me  
And i know you somehow  
As i hold you in my heart, in my heart  
There`s a fire in the sky, and i know it`s you  
There`s a light, it`s all around?, and i know it`s you, i know it`s you  
And i feel like you  
Cause i breath on truth  
For i was always there  
I will always be there
