lirik lagu payphone dan terjemahannya

lirik lagu barat payphone:

"Payphone"

(feat. Wiz Khalifa)I'm at a payphone trying to call home

All of my change I spent on you

Where have the times gone, baby, it's all wrong

Where are the plans we made for two?Yeah, I, I know it's hard to remember

The people we used to be...

It's even harder to picture,

That you're not here next to me.You say it's too late to make it,

But is it too late to try?

And in our time that you wasted

All of our bridges burned down

I've wasted my nights,

You turned out the lights

Now I'm paralyzed.

Still stuck in that time

When we called it love

But even the sun sets in paradiseI'm at a payphone trying to call home

All of my change I spent on you

Where have the times gone, baby, it's all wrong

Where are the plans we made for two?If "Happy Ever After" did exist,

I would still be holding you like this

All those fairy tales are full of shit

All those fairy tales are full of it.

One more fucking love song, I'll be sick.

One more stupid love song, I'll be sick

Oh, you turned your back on tomorrow

'Cause you forgot yesterday.

I gave you my love to borrow,

But you just gave it away.You can't expect me to be fine,

I don't expect you to care

I know I've said it before

But all of our bridges burned down.I've wasted my nights,

You turned out the lights

Now I'm paralyzed.

Still stuck in that time

When we called it love

But even the sun sets in paradise.I'm at a payphone trying to call home  
All of my change I spent on you  
Where have the times gone, baby, it's all wrong  
Where are the plans we made for two?If "Happy Ever After" did exist,  
I would still be holding you like this  
All those fairy tales are full of shit  
All those fairy tales are full of it.  
One more fucking love song, I'll be sick.  
One more stupid love song, I'll be sick  
Now I'm at a payphone Yeah, yeah, now baby don't hang up,  
So I can tell you what you need to know,  
Baby I'm begging you just please don't go,  
So I can tell you what you need to know Man, fuck that shit  
I'll be out spending all this money  
While you're sitting round wondering  
Why it wasn't you who came up from nothing,  
Made it from the bottom  
Now when you see me I'm stunning,  
And all of my cars start with a push of a button  
Telling me the chances I blew up  
Or whatever you call it,  
Switch the number to my phone  
So you never could call it,  
Don't need my name on my shirt,  
You can tell it I'm ballin.  
Swish, what a shame could have got picked  
Had a really good game but you missed your last shot  
So you talk about who you see at the top  
Or what you could have saw but sad to say it's over for.  
Phantom pulled up valet open doors  
Wiz like go away, got what you was looking for  
Now it's me who they want, so you can go and take  
That little piece of shit with you.I'm at a payphone trying to call home  
All of my change I spent on you  
Where have the times gone, baby, it's all wrong  
Where are the plans we made for two?If "Happy Ever After" did exist,  
I would still be holding you like this  
All those fairy tales are full of shit  
All those fairy tales are full of it.  
One more fucking love song, I'll be sick.  
One more stupid love song, I'll be sick  
Now I'm at a payphone...
