

# What Of Our Love

## Crazy Lixx

Baby since you've gone away I can't  
Get these thoughts out of my head  
I can't believe it, was it really our last goodbye  
The pictures that you left behind  
All the memories of you and I  
Wish I could tell you  
How I wanna have you back in my life  
Pre-chorus:  
'Cause it's so cold when you're not here  
And I can't take another night alone  
Chorus:  
What of our love, what of our promise  
Tell me what's left when everything falls apart  
It's all in vain, we're out of chances  
If it's the end please tell me what of our love  
Baby since you've gone away I try to  
Tell myself everything's okay  
I've stopped believing  
But I got to keep on lyin' to myself  
We tried so hard to stay together  
Now I'm standing here alone  
I won't try to hide it, can't deny it  
There ain't nothing I wouldn't do, no  
I close my tear-stained eyes and pray each night  
But you ain't coming back no more  
So what am I keeping this love for  
Tell me what of our love
