

# Holy Grail

Jay-Z

[Verse 1: Justin Timberlake]

You take the clothes off my back

And I let you

You steal the food right out of my mouth

And I watch you eat it

I still don't know why

Why I love you so much

Ohhh

You curse my name

In spite to put me to shame

Have my laundry in the streets

Dirty or clean

Give it up for fame

But I still don't know why

Why our love is so much

Yeah[Hook]

And Baby

It's amazing I'm in this Maze with you

I just cant crack your code

One day you screaming you love me loud

The next day you're so cold

One day you here, one day you there, one day you care

You're so unfair

Sipping from the cups

Till it runneth over, Holy Grail[Verse 2: Jay-Z]

Blue told me remind you niggas

Fuck that shit y'all talk about

I'm the nigga, uh caught up in all these lights and cameras, uh

But look what that shit did to Hammer, uh

God damnit it I like it

The bright lights is enticing

But look what it did to Tyson

All that money in one night

30 mill for one fight

But soon as all the money blows, all the pigeons take flight

Fuck the fame, keep cheating on me

What I do, I took her back, fool me twice

That's my bad, I cant even blame her for that

Enough to make me wanna murder, Momma please just get my bail

I know nobody to blame  
Kurt Cobain, I did it to myself[Bridge: Justin Timberlake]  
And we all just entertainers  
And were stupid, and contagious  
And we all just entertainers[Hook: Justin Timberlake]  
And Baby  
Its amazing Im in this maze with you  
I just cant crack your code  
One day you screaming you love me loud  
The next day you're so cold  
One day you here, one day you there, one day you care  
You're so unfair sipping from the cup  
Till it runneth over, Holy Grail[Verse 3: Jay-Z]  
Now I got tattoos on my body  
Psycho bitches in my lobby  
I got haters in the paper  
Photo shoots with paparazzi  
Can't even take my daughter for a walk  
See them by the corner store  
I feel like I'm cornered off  
Enough is enough  
I'm calling this off  
Who the fuck I'm kidding though?  
Im getting high  
Sitting low  
Sliding by  
In that big body  
Curtains all in my window  
This fame hurts  
But this chain works  
I think back  
You asked the same person  
If this is all you had to deal with  
Nigga deal with  
It, this shit aint work  
This light work  
Camera snapping, my eyes hurt  
Niggas dying back where I was birthed  
Fuck your iris and IRS  
Get the hell up off of your high horse  
You got the shit that niggas die for  
Dry yours  
Why you mad  
Take the good with the bad  
Dont throw that baby out with the bath water

Youre still alive  
    Still that nigga  
    Niggas you survived  
    You still getting bigger nigga  
    Living the life  
    Vanilla wafers  
    In a villa  
    Illest nigga alive  
Michael Jackson thriller[Hook: Justin Timberlake]  
    And Baby  
    Its amazing I'm in this maze with you  
    I just cant crack your code  
    One day you screaming you love me loud  
    The next day youre so cold  
    One day you here, one day you there, one day you care  
    You're so unfair sipping from the cups  
Till it runneth over, Holy Grail[Verse 4: Justin Timberlake]  
    You get the air right out my lungs  
    Whenever you need it,  
And you'd take the blade right out my heart  
    Just so you can watch me bleed  
    And I still don't know why...  
    (Don't know why)  
    Why I love it so much...  
    Yeah...  
    And you play this game  
    In spite to drive me insane  
I got it tattooed on my sleeve forever in ink  
    With guess who's name  
    But I still don't know why  
    (Don't know why)  
    Why our love is so much  
Yeah...[Hook: Justin Timberlake]  
    And Baby  
    It's amazing Im in this maze with you  
    I just cant crack your code  
    One day you screaming you love me loud  
    The next day youre so cold  
    One day you here, one day you there, one day you care  
    Youre so unfair  
    Sipping from the cup  
Till it runneth over, Holy Grail
