Sitting Up In My Room

Marques Toliver

Sitting Up In My Room Waiting For You To Love Me..
Ive Got Nothing But Time, Or Things To Do...
Just Waiting For You To Come Back Home...
I Cant Get You Out Of My Head, Dont Know What To Do Baby
You Fill My Life With BlazeI Know This Love Is TrueBaby, Please Save Me, Cause I Dont Wanna Live This Life Alone
Baby, Please Save MeOohhhhSitting Up In My Room Waiting For You, Getting Lonely
I Thought I Was Fine, But I Didnt Know
The Knowledge That You Have Right To The Soul
I Couldnt Get You Out Of My Head, Like Some Kind Of Bad Habits
To Leave Ranted Me Some Sort Of Rest
Im Ready, I Know This Love Is TrueBaby, Please Save Me, Cause I Dont Wanna Live This Life Alone
Baby, Please Save MeOohhhh
