Lullaby

Nickelback

Well, I know the feeling
Of finding yourself stuck out on the ledge
And there ain't no healing
From cutting yourself with the jagged edge
I'm telling you that, it's never that bad
Take it from someone who's been where you're at
Laid out on the floor
And you're not sure you can take this anymoreSo just give it one more try to a lullaby
And turn this up on the radio
If you can hear me now
I'm reaching out
To let you know that you're not alone
And if you can't tell, I'm scared as hell
'Cause I can't get you on the telephone
So just close your eyes
Oh, honey here comes a lullaby
Your very own lullabyPlease let me take you
Out of the darkness and send you to the light
'Cause I have faith in you
That you're gonna make it through another night
Stop thinking about the easy way out
There's no need to go and blow the candle out
Because you're not done
You're far too young
And the best is yet to comeSo just give it one more try to a lullaby
And turn this up on the radio
If you can hear me now
I'm reaching out
To let you know that you're not alone
And if you can't tell, I'm scared as hell
'Cause I can't get you on the telephone
So just close your eyes
Oh, honey here comes a lullaby
Your very own lullabyWell, everybody's hit the bottom
Everybody's been forgotten
When everybody's tired of being alone
Yeah, everybody's been abandoned
And left a little empty handed
So if you're out there barely hanging on...Just give it one more try to a lullaby

And turn this up on the radio
If you can hear me now
I'm reaching out
To let you know that you're not alone
And if you can't tell, I'm scared as hell
'Cause I can't get you on the telephone
So just close your eyes
Oh, honey here comes a lullaby
Your very own lullaby
Oh, honey here comes a lullaby
Your very own lullaby....
