Don't Panic (2005 Remastered Version)

Tankard

Do you care for the world we live in?
Are you aware?
Death! Kill! war's running rampant
Kill! Die! your children are dead
But there's a cause - that's what they tell us
So they lie
Off to war - inflicting terror
Millions die
Let they say:Nothing's wrong at Chernobyl
And they've found another cure for AIDS
Send their guns to Nicaragua
And shake their fingers at Afghanistan
Don't panic - it's just our world
Fatal disease killing society
Safe sex!
No! Hope! They're all drossy cured
Last! Chance! Time's running out
Russian miltdown - people dying
Is it fair?
poison clouds - water our cities
Loss of fair
[Solo:Axel]
