

Dreams (Live at the Whisky)

Stevie Nicks

Now here you go again
You say you want your freedom
Well who am I to keep you down?
It's only right that you should
Play it the way you feel it
But listen carefully to the sound of your loneliness
Like a heartbeat, drives you mad
In the stillness of remembering what you had
And what you lost
And what you had
And what you lost Thunder only happens when it's raining
Players only love you when they're playing
Say, women, they will come and they will go
When the rain washes you clean, you'll know
You will know, you will know, you will know, you'll know Now here I go again, I see the crystal visions
I keep my visions to myself
It's only me who wants to wrap around your dreams and
Have you any dreams you'd like to sell?
Dreams of loneliness
Like a heartbeat, drives you mad
In the stillness of remembering what you had
And what you lost
What you had
And what you lost Thunder only happens when it's raining
Players only love you when they're playing
Say, women, they will come and they will go
When the rain washes you clean, you'll know
You will know, you will know, you'll know, you will know
You will know, you will know, you will know
