

Working On the Building

Elvis Presley

Well, Im working on the building

It's a true foundation

I'm holding up the blood-stained

Banner for my Lord

Well I never get tired, tired, tired of working on the building

I'm going up to heaven oh yeah, to get my reward, my reward Well, Im working on the building

It's a true foundation

I'm holding up the blood-stained

Banner for my Lord

Well I never get tired, tired, tired of working on the building

I'm going up to heaven oh yeah, to get my reward, my reward Well, Im working on the building

It's a true foundation

I'm holding up the blood-stained

Banner for my Lord

Well I never get tired, tired, tired of working on the building

I'm going up to heaven oh yeah, to get my reward, my reward Well, Im working on the building

It's a true foundation

I'm holding up the blood-stained

Banner for my Lord

Well I never get tired, tired, tired of working on the building

I'm going up to heaven oh Lord, to get my reward, my reward
