Numb

Portishead

Unable so lost
I can't find my way
Been searchin' but I have never seen
A turnin', a turnin' from deceit
'Cause a child, roses like
Try to reveal what I could feel
I can't understand myself
Anymore
'Cause I'm still feelin' lonely
Feelin' so unholy
'Cause a child, roses like
Try to reveal what I could feel
I'm lonely
Just won't leave me alone
Ohh, ohh
Yea

Yea
{I think this is right}
I'm foolin' somebody
A faithless path that roam
Deceiving to breath this secretly
The silence, the silence I can't bear
'Cause a child roses like
Tries to reveal what I could feel
And this loneliness
It just won't leave me alone
Ohh no
And this loneliness
It just won't leave me alone
A lady of war
A lady of war
