Stop Crying Your Heart Out

Leona Lewis

Hold up, hold on
Don't be scared
You'll never change what's been and goneMay your smile shine on
Don't be scared
Your destiny may keep you warm'Cause all of the stars have faded away
Just try not to worry
You'll see them some day
Take what you need and be on your way
And stop crying your heart outGet up, come on
Why you scared (I'm not scared)
You'll never change what's been and gone'Cause all of the stars have faded away
Just try not to worry
You'll see them some day
Take what you need and be on your way
And stop crying your heart out'Cause all of the stars have faded away
Just try not to worry
You'll see them some day
Take what you need and be on your way
And stop crying your heart outWhen all of the stars were fading away
Just try not to worry
You'll see us some day
Take what you need and be on your way
And stop crying your heart outStop crying your heart out
Stop
Stop crying your heart out
Oh
