So you can see the muthfuckin' Big Tymers car show
Now on the left side we got the brand new Benz And on the right side bitches shakin' ass for ends
And in the middle niggas throwin' 20s and 10s
And up top niggas drinkin' juices
With gin juices, with gin juices, with gin News cars, pretty broads, neighborhood superstars
Going far, goin' to the super bowl, in the hole
And I owe my nigga for frontin' me two kilos

Big, big, big ballin' is my hobby
Ten years ago a friend of mine
Brought me to uptown second line
Met meatball, nair, anglin' mets
Want you do a D.J. in the jets
Bought two trigger mans and brown beat
Now you can pop that pussy in the middle of the street
Best believe next week I'ma be downtown
Point court St. Bernard bitch throwin' down
Then I'm mosy on down 'cross the kanel
Put up the mic 'cuz I got a fuckin' story ta tell, Teresa
