Last Shot

Kip Moore

Well, baby love's just one of those words that gets thrown around

Like Jack and Coke, sitting on the bar when it gets watered down

So I ain't gonna say it, oh but I ain't gonna lie

If you wanna know the truth how I feel about you tonightIf you were my last breath, I'd just wanna hold you

If you were my last night of hell on wheels

I'd wanna drive you like I stole ya

If you were my last shot, last shot of whiskey (last shot of whiskey)

I'd press you to my lips, take a little sip

Swirl you around and around and around

Then I'd shoot you down

So baby let me look at you and see just what I got

If you were my cherry stem I'd tie you in a knot

And if I couldn't hail you, oh baby I'd be gone

I'd be floating round high as the Colorado sky, blowing smoke rings all night longIf you were my last breath,

I'd just wanna hold ya

If you were my last night of hell on wheels

I'd wanna drive you like I stole ya

If you were my last shot, of whiskey (last shot of whiskey)

I'd press you to my lips, take a little sip

Swirl you around and around and around

Then I'd shoot you downLast call, last chance, last dance I was ever gonna get to take

If you were my last breath, I'd just wanna hold you

My last night of hell on wheels, wanna drive you like I stole you

If you were my last shot, of whiskey (last shot of whiskey)

I'd press you to my lips, take a little sip

Swirl you around and around and around

Then I'd shoot you down

Then I'd shoot you downWell, if you were my last breath

Well, I'd just wanna hold you
