Last Shot

Kip Moore

Well, baby love's just one of those words that gets thrown around Like Jack and Coke, sitting on the bar when it gets watered down So I ain't gonna say it, oh but I ain't gonna lie If you wanna know the truth how I feel about you tonight f you were my last breath, I'd just wanna hold you If you were my last night of hell on wheels I'd wanna drive you like I stole ya If you were my last shot, last shot of whiskey (last shot of whiskey) I'd press you to my lips, take a little sip Swirl you around and around and around Then I'd shoot you down So baby let me look at you and see just what I got If you were my cherry stem I'd tie you in a knot And if I couldn't hail you, oh baby I'd be gone I'd be floating round high as the Colorado sky, blowing smoke rings all night longIf you were my last breath, I'd just wanna hold ya If you were my last night of hell on wheels I'd wanna drive you like I stole ya If you were my last shot, of whiskey (last shot of whiskey) I'd press you to my lips, take a little sip Swirl you around and around and around Then I'd shoot you downLast call, last chance, last dance I was ever gonna get to take If you were my last breath, I'd just wanna hold you My last night of hell on wheels, wanna drive you like I stole you If you were my last shot, of whiskey (last shot of whiskey) I'd press you to my lips, take a little sip Swirl you around and around and around Then I'd shoot you down Then I'd shoot you downWell, if you were my last breath Well, I'd just wanna hold you Song Discussions is protected by U.S. Patent 9401941.
