

In the Fire

Neal Morse

"Confess... Witch" I see the moon outside
With its evil grin
Watching the priest tonight
Accusing ME of sin Oh, help me, "No, you're gonna die"
Oh, help me, "No, just say goodbye" In the fire, on blackened wings I fly
In the fire, to Hell... and then I die...
Oh it's still the same
Can you tell me why?
Witches then are Witches today "Confess... Witch" With thousand years of pain
Between here and then
Did we all die in vain?
Oh it's just insane Oh, help me, "No, you're gonna die"
Oh, help me, "No, just say goodbye" In the fire, on blackened wings I fly
In the fire, to Hell... and then I die...
Oh it's still the same
Can you tell me why?
Witches then are Witches today "Die Witch... Now go to Hell" In the fire, on blackened wings I fly
In the fire, to Hell... and then I die...
Oh it's still the same
Can you tell me why?
Witches then are Witches today
