Gone (Mike Hedges Mix)

U2

You gotta feel so guilty
Got so much for so little
Then you find that feeling just won't go away
You're holding on to every little thing so tightly
Till there's nothing left for you anyway
Goodbye
You can keep this suit of lights
I'll be up with the sun
I'm not coming down
I'm not coming down, oh
I'm not coming downYou wanted to get somewhere so badly
You had to lose yourself along the way
You change a name but that's okay
It's necessary
And what you leave behind
You don't miss anywayGoodbye
You can keep this suit of lights
I'll be up with the sun
I'm not coming down
I'm not coming down, oh
I'm not coming down'Cause I'm already gone
Felt that way all along
Closer to you every day
I didn't want it that much anywayYou're taking steps that make you feel dizzy
Then you get to like the way it feels
You hurt yourself you hurt your lover
Then you discover
What you thought was freedom is just greedGoodbye
It's emotional
Goodnight
I'll be up with the sun
Are you still holding on
I'm not coming down, oh
I'm not coming down, oh
I'm not coming down
