

Prayers/Triangles

Deftones

There's a new strange
Godless demon awake, inside me
There's a force divine
Terrorizing the angels I keep
While we dream Prayers (prayers)
Lay on the line (lay on the line)
You'll never be free (you'll never be free)
You'll never be free (you'll never be free)
(Free, free, free) I'm a true slave
To the fire and the air around you
While this curse divine
It's slowly rotting away, inside me
While we dream Prayers (prayers)
Lay on the line (lay on the line)
You'll never be free (you'll never be free)
You'll never be free
Triangles (triangles)
Placed in your mind (placed in your mind)
You'll never be free
You'll never be free Beware
Beware
Beware
Beware I will never walk this street again
The only time I feel I'm not alone
I pull my heart out, I wave it in the air Prayers (prayers)
Laid on the line (lay on the line)
You'll never be free (you'll never be free)
You'll never be free
Triangles (triangles)
Placed in your mind (placed in your mind)
You'll never be free
You'll never be free
Prayers (prayers)
Triangles (triangles)
Laid on the line (lay on the line)
You'll never be free, you'll never be free I will never walk this street again
The only time I feel I'm not alone
I pull my heart out, I wave it in the air

I pull my heart out, I wave it in the air
