

A Thing About You

Roxette

I pick up the phone, Iâ€™m dialing your number
While I pray youâ€™re at home, at home and alone
â€™Cause I canâ€™t function on my own
And Iâ€™ll never stop believing

The reaping is done. You are the one
The radio is on but sound is all gone
And I wanna walk out in the sun
But lately, thatâ€™s been very hard to do

Iâ€™ve got a thing about you
And I donâ€™t really know what you do
â€™Cause Iâ€™ve got a thing about you, hey you

I pick up the phone, Iâ€™m dialing that number
And my heart like a stone waits for the tone
Oh, I canâ€™t make it on my own,
And Iâ€™ll never stop believing

I know what is right and this is so wrong
Alone in my bed, better off on my own
The TV is on, but the colours are gone
And lately youâ€™ve been painting my world blue

Iâ€™ve got a thing about you
(Iâ€™ve got a thing about you)
And I donâ€™t really care what you do
Iâ€™ve got a thing about you
(Iâ€™ve got a thing about you)
Hey you

Iâ€™ve got a thing about you
Iâ€™ve got a thing about you-ou-ou-ou

Lately, youâ€™ve been painting my world blue

Iâ€™ve got a thing about you
Iâ€™ve got a thing about you
And I donâ€™t really know what to do

I've got a thing about you
Hoping this story cuts through
I've got a thing about you
A thing about you

I've got a thing about you
I've got a thing about you-ou-ou-ou
And I don't really know what to do
I've got a thing about you
