

I Shot The Devil

Suicidal Tendencies

I shot Reagan I shot Reagan, I shot Sadat
I'm gonna shoot you dead in heaven you'll rot
You're gonna rot in heaven, hear an Angels voice
You're too bad for hell although it's your first choice Rot in heaven
You're too bad for hell
Rot in heaven
'Cause you're forgiven in hell I shot Lennon, I shot the Pope
I shot the Devil, now you ain't got no hope
You're gonna rot in heaven, hear an Angels voice
You're too bad for hell although it's your first choice Rot in heaven
You're too bad for hell
Rot in heaven
'Cause you're forgiven in hell Rot in heaven
You're too bad for hell
Rot in heaven
'Cause you're forgiven in hell I shot Reagan, I shot Sadat
I'm gonna shoot you dead in heaven you'll rot
I shot Lennon, I shot the Pope
I shot the Devil, now you ain't got no hope I shot Reagan
But I shoot and I die
And I die and I die
