Stella Feyi

I will declare,i will declare your goodness to the earth
You alone deserve my praise
I will declare,yes i will declare your goodness to the earth
You alone you deserve my praise

You alone,none like you
You alone my Provider, you alone deserve my praise
You alone My Shepherd,
You alone,my Healer you alone,you deserve my praise.

Father i worship you,you are worthy Lord,you are worthy Lord,we honour you,you alone..

I will declare your goodness to the earth,you alone deserve my praise
I will proclaim your greatness to the earth,you alone deserve my praise

You alone,my Savior,You alone my Protector you alone,you alone deserve my praise
Jesus you alone,you alone my Defender
You alone my Redeemer,you alone,you alone deserve my praise

You alone Rock of Ages,you alone,you alone ,you alone deserve my praise
You are worthy Lord,you alone deserve my praise

You are Beautiful,you are Wonderful,i bless your Name you alone
I worship you, you alone
You alone,you deserve my praise
