

Real Girl (Radio Edit)

Mutya Buena

If I had one chance to
Live my life again
I wouldn't make no changes
Now or way back when (yeah)
And if everything turns out
The way I hope it goes
But I can't wait to find out
What it is that God knows But I don't wanna think about
What's gonna come around for me
I'll just take it day by day
'Cause it's the only way
To be the best that I can be I never pretend to be something I'm not
You get what you see, when you see what I've got
We live in the real world, I'm just a real girl
I know exactly where I stand [Chorus:]
And all I can do is be true to myself
I don't need permission from nobody else
'Cause this is the real world, I'm not a little girl
I know exactly who I am And nothings ever perfect
There's no guarantee
And if I knew the answers
It would put my mind at ease (no)
So I'll just keep on going
The way I've gone so far
And maybe I'll end up
Tryin' to catch a fallin' star (yeah) But I don't wanna think about
What's gonna come around for me
I'll just take it day by day
'Cause it's the only way
To be the best that I can be I never pretend to be something I'm not
You get what you see, when you see what I've got
We live in the real world, I'm just a real girl
I know exactly where I stand [Chorus] Baby this is who I am
Don't need you to understand
'Cause everything is right where it should be
It won't be long til you know about me
'Cause I don't give a
Even when I'm out of love
'Cause everything's just how it should be

And it wont be long till you know about meI never pretend to be something I'm not
You get what you see, when you see what I've got
We live in the real world, I'm just a real girl
I know exactly where I stand[Chorus]I never pretend to be something I'm not
You get what you see, when you see what I've got
We live in the real world, I'm just a real girl
I know exactly where I stand[chorus]
