

# So Unkind (1999 Remastered Version Stereo)

## Love Sculpture

I got rumblin'  
I got rumblin' on my mind  
You know I love you baby  
But you treat me so unkind When I first met you, baby  
Everything was alright  
Yeah, when I first met you, baby  
Everything was really alright  
I've gone away and leave you  
Stay away all night  
Yeah  
I give you all my money  
Just to keep you looking fine  
Oh I give you all my money, baby  
Just to keep you looking fine  
Ah you know I love you, baby  
That's why you treat me so unkind  
Yeah
