

Diane

The Hippos

I've been in this bind for a while,
I can't find a girl who's quite my style,
Ever since you walked out on me.
You were the one for me, we'd sit and watch our
MTV, why'd you have to walk out on me?
I'm reaching insanity.
Diane, come back
To me.

I can be anything that he can be!
Please tell me what wasn't right.
"Two Star crossed lovers" in the night,
why'd you have to walk our on me?
