

# That's My Girl

## The Monks

Hey, fella,  
What you doin' with that girl over there?  
Well, that's a nice girl you got,  
She sure looks good.  
I bet you're gonna make love with her, huh?  
Aren'tcha?  
Yeah, that's a nice girl you got,  
Hawwww!  
Well, I bet you are gonna make love with her.  
Well, that's a good lookin' girl you got fella!  
Hey, haven't I seen her somewhere before?  
She sure looks familiar,  
I can't . . . uh . . . let me see, uh . . .  
That's a nice girl!  
Wait, that . . . that's my girl you got!  
You can't have my girl!  
That's my girl!  
Nobody can have my girl, she's my girl!  
Aw, you quit that! No!
