

Shame

Monrose

A final conversation
It lies heavy on my mind
And although we couldn't say it
I think we know we can't go back this time
Though love and desperation
Is the writing on the wall
And will all the lights stop flashing
Or is this the final curtain call?
It's such a shame, it's such a shame
(Aah)
Don't walk away, don't walk away
(Aah)
All this time I thought I knew myself
But once again I bury my head in shame
Nothing lasts forever
flower always dies
I never felt the beauty
Why can't I see through other people's eyes?
It's such a shame, it's such a shame
(Aah)
Don't walk away, don't walk away
(Aah)
All this time I thought I knew myself

But once again I bury my head in shame
I've paid the price for all my sins
And when love ends new life begins
My independence always knees me to the floor
And it leaves me wanting more, leaves me wanting more
I got everything a girl could ever need
So why do I still feel like my life's so incomplete?
You made me beautiful, brought me to my knees
So please don't go, don't take the missing piece
It's such a shame, it's such a shame
(Aah)
Don't walk away, don't walk away
(Aah)
All this time I thought I knew myself
But once again I bury my head in shame

It's such a shame, it's such a shame

(Aah)

Don't walk away, don't walk away

(Aah)

All this time I thought I knew myself

But once again I bury my head in shame, shame
